

Still Got Tonight
Matthew Morrison

intro: **D# A# D# G#**

[Verse 1]

D# **A#**
If you re not home, I ll sit here on your doorstep
D# **G#**
Button up my coat and wait
D# **A#**
We ll go upstairs close the curtains and we re all set
D# **G#**
to pick up where we left again
D# **A#**
There s question marks hangin over us
D# **G#**
But we won t give the time of day, oh
D# **A#**
Cause all we got is these few stolen seconds
D# **G#**
And we can t let them go to waste

[Chorus]

G# **D#**
The stars collide
A#
We come back to life
We come back to life
G# **D#**
The sparks will fly
A#
One look in your eyes
Cm
My heart s open wide
G# **D#**
I know time s running out now
A# **G#**
But we ll hold back the sun somehow
D#
See the sky?
A#
We ve still got tonight
We ve still got tonight

G#

[Verse 2]

Come 9am
I m packing every suitcase

Leave you in your bed so warm
I ll do my best not to wake you but it s useless
Can t tiptoe round this no more, oh
It s gonna get 1stchords much harder
Before it gets better baby and that s for sure, mmm
Just say you ll wait for my footsteps on the staircase
And I will walk back through this door

[Repeat Chorus]

Bridge:

G# **D#**
So keep your eyes open
A#
There s no time to close them
G#
Just hold on
D#
So tight now
A#
We still got tonight
G#
(We ve still got tonight)
(We ve still got tonight)

D# A# D# G#

D# **A#**
If all we got is these few stolen seconds
D# **G#**
We can t let em go to waste

[Repeat Chorus]

Any correction would be appreciated :)
