

End Of The World

Matthew P

Hi all! Simplified into chords for those who don't like to read tabs :-)

Between **F#m** I play the Ab note (4th fret on E string) whilst moving up to do a barre of A (E up 5)

F#m **A**
One more drink and a cigarette
D **D/C#** **Bm**
Just before this world melts down
F#m **A**
One more night that you can't forget
D **D/C#** **Bm**
While you're still around
F#m **A**
One last glance at your silhouette
D **D/C#** **Bm**
As the sun goes down
F#m **A**
In the graveyard of no regret
D **D/C#** **Bm**
We will make our final sound

A (**Bm**)
It's the end of the world
D **E**
But you don't stop living
A (**Bm**)
It's the end of the world
D **E**
But you don't stop forgiving

F#m **A**
One more smile and a kiss goodbye
D **D/C#** **Bm**
On this final afternoon
F#m **A**
Underneath this discarded sky
D **D/C#** **Bm**
Where we're struggling with the gloom
F#m **A**
And I'll ask for one dance with you
D **D/C#** **Bm**
Just to celebrate our time
F#m **A**
We got so many things to do

D **D/C#** **Bm**
So come on join the ride

A (**Bm**)
It s the end of the world

D **E**
But you don t stop living

A (**Bm**)
It s the end of the world

D **E**
But you don t stop forgiving

F#m E/Ab A **Bm E**
And its one more day to become wise, yes it is

F#m E/Ab A **Bm E**
And its one more day to become light

F#m **A**
It s the end of the world

F#m **A**
It s the end of the world

F#m **A**
It s the end of the world

E **D**
And we don t need this time
