Feet On The Ground- Matthew P

G **Em**
I feel solid souls around me,
G **Em**
Not the ghosts that flail and flounder
C **Am**
I hear birds that sing the morning song
C **D**
And gently push the day along
G **Em**
Colours on the wayside
G **Em**
Not the solid or the greenest
C **Am**
I feel shapes of all the beauty in
C **D**
The world I love and live

(Chorus)

G **Em**
I keep my feet on the ground
G **Em**
And my head in the clouds
C **D**
Im a happy rollercoaster
C **G**
Going up and down
G **Em**
I keep my feet on the ground
G **Em**
And my head in the clouds
C **D**
Im a happy hamster on the wheel
C **G**
Going round, round, round

I hear the waves out in the ocean
