

Living In The Shadows
Matthew Perryman Jones

Em
Smoke is clearing out
B **Em**
All the circling lights, blind me
Em
I ve been running out
B **Em**
Now it s all just a fight, to breathe
C **Em**
I gave it all, yeah
B **B7**
I gave everything

C **B**
I will never break the silence
Em **B7**
When I look inside

I don t have to hide
C **B**
If you re looking, you won t find me
Em **B7**
Who s the enemy?

Don t know what to believe

C **D**
Living in the shadows
Em
Living in the shadows

Em **B** **Em**
Light is breaking through a dark that is underneath
Em **B** **Em**
I know the truth but for you it s just out of reach
C **Em**
You took it all, yeah
B **B7**
You took everything

C **B**
I will never break the silence
Em **B7**
When I look inside

I don t have to hide

C **B**

If you re looking, you won t find me

Em **B7**

Who s the enemy?

Don t know what to believe
