

I m a lovesick fool
I m a lovesick fool

[Bridge]

N.C.
If I go through with this plan
N.C.
Then I can forgive myself someday
N.C.
Turning my back on this life I made
N.C.
Would I forgive myself if I stayed?

[Verse 4]

Keep telling myself it ll happen when it happens
We ain t getting any younger and i m afraid it ll never happen
Cuz its the heart that makes the home
And i m bound to be all alone at least for awhile, dear

[Verse 5]

So to save all this aching, or maybe it s my broken heart in the making
But I just have to look at you and i m sure what I wanna do
Girl, I want to be with you

[Chorus 3]

Cuz i m a lovesick fool
I m a lovesick fool
I m a lovesick fool
I m a lovesick fool
