No matter what I keep inside  
      **C**               **C/B**       **Asus2**               **G**               **D**  
Or what I let escape from the place where you walked through

{chords are the same as verse 1}

Everytime you go away  
There are some rules I do obey  
If you had to watch me scream and cry  
You d feel the need I m living by  
A fragment of the pain that the world has put me through  
  
      **Dm**                               **G**                               **Am**       **C/G**  
But I wouldn t want a life without you  
      **Dm**                               **G**  
No I wouldn t want a life without you

SOLO

If you had to watch me scream and cry  
You'd feel the need I'm living by  
A fragment of the pain that the world has put me through  
    But I wouldn't want a life without you  
    No I wouldn't want a life without you
