B   F#   E
B   F#   E
B   F#   E
B   F#   E
B   F#   E
B   F#   E

[Verse 1]
(continue **B   F#   E** progression)

You don t know how you move me
Deconstruct me
And consume me
I m all used up
I m out of luck
I am starstruck
B   **F#**   **E**   **B**
By something in your eyes that is keeping my hope alive

[Chorus]
                     E   **F#**
But I m sick of myself when I look at you
             B   **E**
Something is beautiful and true
                    E   **F#**
In a world that s ugly and a lie
               B   **E**
It s hard to even want to try
                      E   **F#**
And I m beginning to think   Baby you don t know

[Verse 2]
(continue **B   F#   E** progression)

I ll take or leave
The room to breathe
The choice to leave you
I ll throw away
A chance at greatness
Just to make this
B   **F#**   **E**   **B**
Dream come into play, I don t know if I ll find a way

[Chorus]
```
                      E                                 F#
  Cause I m sick of myself when I look at you
                  B                 E
Something is beautiful and true
                      E            F#
In a world that s ugly and a lie
                  B               E
It s hard to even want to try
                                E  F#                        G#m
And I m beginning to think       Baby you don t know
                        E       F#
I m beginning to think       Baby you don t know
```

[Solo Đ¡hords]
(**B F# E** progression over solo)

[Chorus]

```
B                                 F#            E                     B
There s something in your eyes that is keeping my hope alive
                  E                             F#
But I m sick of myself when I look at you
                  B               E
Something is beautiful and true
                      E            F#
In a world that s ugly and a lie
                  B               E
It s hard to even want to try
                              E  F#
And I m beginning to think     Baby you don t know
                        E  F#
I m beginning to think       Baby you don t know
```

(continue **B F# E** progression to end)
