(Intro)

(Verse)

Instead of running

Stay and keep it coming

You re getting your kicks right at the source

You re taking your guidance from the source

(Chorus):

Where do you get love?

Down below from heaven above?

Got a scary feeling I know

Where do you get love?

(Verse)

Am I the whore

You re working for?

I m here if you want to keep me near

Much further away than I appear

(Chorus)

(Verse)

Instead of running

Stay and keep it coming

Stay and keep it coming

Stay and keep it coming

(Chorus) x 2

(Bridge)
