## Pure Joy Matthew Ward capo on 1st freet, key of C#) Thought I was falling into a d-e-e-p depression Thinking all the mystery was all gone Like I was falling into the deep of a grand canyon From the side of a mountain I was hanging on But now I'm coming up for air I see my angel on the sand She's running out to meet me G7 In the waves of the of the Rio Grande C And it's joy, honey, pure joy ah ahah Pure joy just to see you again Thought my heart was in a r-u-t of recession All the colors I had seen had faded into the black Like I was falling fast to the bottom of the ocean And just my luck my hands were all chained up behind my back But now I'm coming up for air Em I see my angel on the sand She's running out to meet me To save me again And it's joy, honey, pure joy Pure joy just to see you again

F Em And it's joy, honey, pure joy

To see the sun coming down through the mist Yeah it's joy, honey, pure joy G7 С To feel the medicine of oxygen fill up my lungs again (break) Em And it's joy, honey, pure joy G7 To feel the strength of your kiss against my lips F  $\mathbf{Em}$ Yeah it's joy, honey pure joy G7 Ain't no other way to say what this feeling is F Pure joy Pure joy Pure joy
