

## All The Broken Pieces

Matthew West

Verse 1:

**F**

Did you feel, feel it break

**C**

From all the weight of your mistake?

**Dm**

You never knew how much it cost

**Bb**

Feels like your innocence is lost

**F**

So much for the perfect life

**C**

So much for the perfect day

**Dm**

It's like no matter how you try

**Bb**

Perfections just too far away

Chorus:

**F Bb**

So lift them up to me

**Dm**

All the broken pieces

**C**

**F**

All the broken pieces of your life

**Bb**

To me

**Dm**

All the broken pieces

**C**

All the broken pieces of your life

**F**

**Bb**

**Dm**

**F**

Verse 2:

**F**

Did you hear what I said?

**C**

Did you read the words I wrote down in red?

**Dm**

I was broken once for you

**Bb**

And no one loves you like I do

**F**

And that's the beauty of this grace

**C**

It can put the pieces back in place

**Dm** **Bb**  
And shine reflections of forgiveness

In a million different ways

(Chorus)

Bridge:

**Bb** **Dm**  
I can take even your greatest mistake  
**C** **Bb** **Dm**  
Every scar, every tear, every break  
**Bb** **F**  
And I can turn it in to something more beautiful  
**C**  
Than you have ever seen  
**F** **Bb** **Dm** **C**  
So lift them up to Me

**F**  
All the broken pieces

**Bb**  
All the broken pieces

**Dm**  
All the broken pieces

**C**  
All the broken pieces

**F**  
All your broken pieces

**Bb** **Dm** **C**  
Iâ€™ll put them back together

**F**  
Are you broken?

**Bb**  
Are you broken?

(Chorus)

**F** **Bb** **Dm** **C** **F**

END
