

Good Adam Eve
Matthew West

Verse 1

EM **C** **Am**
If I could, I d rewrite history I d choose differently
D **Em**
If I could, I would. I d leave out the part
C **Am**
Where I broke Your heart In the garden s shade
D **Am** **C**
Fix the mess I made If I could I would

Em **C** **Am**
If I could Close my eyes and then Dance around again
D **Em**
If I could, I would Be who You adored
C **Am**
Why did I need more? When beauty was not trained
D **Am** **C**
To hide behind my shame If I could, I would.

Chorus

G
Can You hear us cry?
Em
Wishing we could turn back time
C
To feel Your breath when branches move
Am
Take one more sunset walk with You
G
Must each tomorrow hold
Em
Such brokenness untold?
C
Can t imagine how You could
Am **D**
See all of me and say it s good

Verse 2

Em **C** **Am**
If I could Hold one memory It would surely be
D **Em**
How You walked with us I d go back in time
C **Am**
Untell my first lie And let Love s injury
D
Heal in spite of me
