

History

Matthew West

This is the First tab I posted, I couldn't find the proper tab anywhere so I had to watch his Live video to find out how it's really played. This will get you started and the rest is pretty simple to ear out once you have the chords. And the intro to the chorus may be a little off.

His youtube video can help you figure the rest out if you can't ear it

CHORDS:

Bm (x24432)

A (002220)

G (320033)

Em (022000)

A2 (002200)

Bm7 (020202) - optional to use during verses instead of Bm

Bm
It's been a bad day
A
You've been looking back
G
And all you can see
Em
is everything you wish you could take back
Bm
All your mistakes
A
A world of regrets
Em **G**
All of those moments you would rather forget
Bm **A**
I know it's hard to believe
Em **G**
Let me refresh your memory

[Chorus]

D A G

Yesterday is history

A Bm A G

And history is miles away

D **A**
So, leave it all behind you

A2 G A

But let it always remind you of the day

G
The day that love made history
D G Bm A

Bm
A
 You know you can t stay right where you fell

G **Em**

The hardest part is forgiving yourself

But let s take a walk into today

And don t let your past get in the way
