

**Unchangeable**  
**Matthew West**

Unchangeable  
Capo 1

**Gm**

You wait for someone to choose you

**F**

You wait for someone to stay

**Eb**

But the only love that youre used to

**Cm**

Is the kind that goes away

**Gm**

Youre thinking maybe your daddy was right when

**F**

He said youre just a mistake

**Eb**

But I was holding your heart when

**D**

Those cold words made it break

**Eb**

My love, My love, My love

**F**

My love is unchangeable

**Gm**

**Eb**

And theres nothing you can do to change My mind

**Gm**

Theyll make you feel like youre worthless

**F**

Til you believe that its true

**Eb**

But I look at you and see priceless

**Cm**

They dont know you like I do

**Gm**

I dreamed you into existence

**F**

I put the stars in your eyes

**Eb**

Now let the truth of this promise

**D**

Speak louder than the lies

**Eb**

My love, My love, My love

**F**

My love is unchangeable

**Gm** **Eb**  
And theres nothing you can do to change My mind

**Bb**  
My love, My love, My love

**F**  
My love is unchangeable

**Gm** **Eb**  
And My love is gonna change your mind

**Bb**  
Youre not a mistake

**F**  
Youre not a mistake

**Gm**  
I know the plans I have for you

**Eb**  
To give you a hope and a future

**Bb**  
Youre not a mistake

**F**  
Youre not a mistake

**Gm**  
I know the plans I have for you

**Eb**  
To give you a hope and a future

**Bb**  
My love, My love, My love

**F**  
My love is unchangeable

**Gm** **Eb**  
And theres nothing you can do to change My mind

**Bb**  
My love, My love, My love

**F**  
My love is unchangeable

**Gm** **Eb**  
And my love is gonna change your life

**Bb**  
My love is unchangeable

**F**  
Ohhh

**Gm**  
My love is unchangeable

**Eb**  
Ohhhhhhhhhh

**Bb** **F**  
When the world walks away

**F** **Gm**  
Im the one whos going to stay

**Gm** **Eb**  
Yes, Im the one whos going to stayyyyyy

**D**

When the world walks away I will stay with you

When the world walks away I will stay with you

When the world walks away I will stay with you
