

Up And Flying
Maura O'Connell

[Verse]

Mostly I m alone a lot
Mostly I guess you re not
Forgive me if I stop and stare
I was just a little unprepared

[Verse]

So the world has fallen at your feet
Yeah, you hardly even missed a beat
Everyday your heart beats a little stronger
But my nights for me get a little longer

[Chorus]

You ve gone on a million miles from here
Swept up like a feather in the air
Well, you make it look so easy
That doesn t seem quite fair
Cause, baby, I m still trying
To get myself up and flying

[Verse]

I should be farther on by now
I just can t seem to catch a breeze somehow
I should be free to leave the ground
With no dreams left to weigh me down

[Verse]

Well, could you tell me what I have to do

I ve been trying to deny the truth, well, yeah

But here it is now, the living proof

The one I love loves someone new

[Chorus]

You ve gone on a million miles from here

Swept up like a feather in the air

Well, you make it look so easy

That doesn t seem quite fair

Cause, baby, I m still trying

To get myself up and flying
