**C**            **G**            **Am**                    **Em**            **F**  
I never believed in love, I was deceived by love

**C**                                    **Dm**  
I never had much luck, With lovers before

**C**                            **G**            **Am**                                    **Em**  
And I couldn t complete, I seemed I just part of the street

**F**                                    **C**            **G**  
To be walked on, by everyone but then

Refrain:

**Eb**        **Bbm**                                    **Cm**  
Then I found A very special love in you

**G#**                                    **Eb**                                    **Cm**  
It s feeling that s so totally new, Over and over

**C# Bb**        **Eb**                                    **Bbm**                                    **Cm**  
It s burning inside, And I found a very special love in you

**G#**                                    **Eb**                                    **Cm**  
And it almost breaks me into two squeezong me tighter

**G#**    **Bb**                                    **Eb-Bb-F-Dm** ...  
But I m never gonna let go..

**C**                                    **G**        **Am**  
You re not like the rest I know

**Em**                                    **F**  
You re one of the best you give more

**Em** **Dm** **G**  
Than than should, and take nothing in return

**C** **G** **Am** **Em**  
Stay always with me, and I always will be

**F** **C**  
The one person that you can count on

**Dm** **G**  
Always to love you

(repeat refrain)

**G#-Bb**  
But I m never gonna let go

**G#-Bb-B**  
But I...

Refrain 2:

**E** **Bm** **C#m**  
Then I found, A very special love in you

**A** **E**  
It s feeling that s so totally new

**C#m** **D-B**  
Over and over,It s burning inside

**E** **Bm** **C#m**  
And I found a very special love in you

**A** **E**  
And it almost breaks me in two

**C#m**  
Squeezing me tighter

**A-B** **E**  
But I m.... let go....
