

Meteor

MAX (Max Schneider)

[Intro]

N.C

A meteor bursting through my atmosphere

N.C

What s a star I long to touch, it s so very near

N.C

Here I am reaching towards its erupting flame

N.C

With thoughts surrounded by your name

[Verse 1]

Am C F E
Blame, I blame, I blame, I blame my heart

Am C F Dm
Every day, every day, every day I fall apart

Em

This perfect star I do adore

F Dm E Am

I am forever yours, my meteor

F Dm E Am

[Chorus]

F Dm G Gm D
My meteor

F Am E A
You re my, you re my

[Verse 2]

Am C F E
I blamed, I blamed, I blamed, I blamed my heart

Am C F Dm
Every day, every day, every day I fell apart

F
Yeah, you came, yeah, you came, you came and pulled me closer

Am G
But you keep, but you keep, but you keep, keep me from the fall

G
You keep me from the fall

[Chorus]

F Dm E Am x2

F Dm G Gm D
My meteor

F Am E A
You re my, you re my

G Am G Am

You re my, you re my

G Am G Am

You re my, you re my

Dm C G Dm F

You re my

Am E Dm Em Gm D

You re...

[Outro]

Dm Am F

A meteor bursting through my atmosphere

Dm Am G D

A meteor bursting through my atmosphere
