

I Aint Drinking Alone
Max Stalling

C **E**
Darling I recognize that glare in your eyes
F **G**
when I m about to get the business
C **E**
But before you complain please let me explain
F **G**
I think you ll understand my position
E **Am**
Youâ€™ve read all those books I know your looks,
F **G**
You think people who drink solo have problems
C
But I ainâ€™t drinkin alone
G **C** **G**
Iâ€™m on the phone with my brother

C **E**
Now my brother it seems is as confounded as me
F **G**
by the art of the marital tradition
C **E**
So we drink and we dial and shoot the breeze for a while
F **G**
Heck itâ€™s just like we were out fishin
E **Am**
And itâ€™s well after nine, it donâ€™t cost us a dime
F **G**
We think itâ€™s an elegant solution
C
We ainâ€™t drinkin alone
G **C** **G**
Weâ€™re on the phone with our brother

Am **Em**
And the good news is Iâ€™m right here for you
F **G**
As close as the garage
Am **Em**
The kegerator and me and AT&T
F **G**
And my brother if youâ€™d like to say hello
C
I ainâ€™t drinkin alone
G **C** **G**
Iâ€™m on the phone with my brother

C **E**
 Darling, you are my spouse and you got some rules for our house
F **G**
 And I sure do respect your decisions
C **E**
 But if you just calm down youâ€™ll see that I found
F **G**
 A loophole in the social condition
E **Am**
 Well I love beer and I love you
F **G**
 Not necessarily in that order
C
 I ainâ€™t drinkin alone
G **C** **G**
 Iâ€™m on the phone with my brother

Am **Em**
 And the good news is Iâ€™m right here for you
F **G**
 As close as the garage
Am **Em**
 The kegerator and me and AT&T
F **G**
 And my brother if youâ€™d like to say hello

C **E**
 You wouldnâ€™t hear me complain if you did the same
F **G**
 Get some wine and go call your sister
C
 I ainâ€™t drinking alone
G **C** **G**
 Iâ€™m on the phone with my brother
