

I Aint Drinking Alone
Max Stalling

C# **F**
Darling I recognize that glare in your eyes
F# **G#**
when I m about to get the business
C# **F**
But before you complain please let me explain
F# **G#**
I think you ll understand my position
F **Bbm**
Youâ€™ve read all those books I know your looks,
F# **G#**
You think people who drink solo have problems
C#
But I ainâ€™t drinkin alone
G# **C#** **G#**
Iâ€™m on the phone with my brother

C# **F**
Now my brother it seems is as confounded as me
F# **G#**
by the art of the marital tradition
C# **F**
So we drink and we dial and shoot the breeze for a while
F# **G#**
Heck itâ€™s just like we were out fishin
F **Bbm**
And itâ€™s well after nine, it donâ€™t cost us a dime
F# **G#**
We think itâ€™s an elegant solution
C#
We ainâ€™t drinkin alone
G# **C#** **G#**
Weâ€™re on the phone with our brother

Bbm **Fm**
And the good news is Iâ€™m right here for you
F# **G#**
As close as the garage
Bbm **Fm**
The kegerator and me and AT&T
F# **G#**
And my brother if youâ€™d like to say hello
C#
I ainâ€™t drinkin alone
G# **C#** **G#**
Iâ€™m on the phone with my brother

C# **F**
 Darling, you are my spouse and you got some rules for our house
F# **G#**
 And I sure do respect your decisions
C# **F**
 But if you just calm down youâ€™ll see that I found
F# **G#**
 A loophole in the social condition
F **Bbm**
 Well I love beer and I love you
F# **G#**
 Not necessarily in that order
C#
 I ainâ€™t drinkin alone
G# **C#** **G#**
 Iâ€™m on the phone with my brother

Bbm **Fm**
 And the good news is Iâ€™m right here for you
F# **G#**
 As close as the garage
Bbm **Fm**
 The kegerator and me and AT&T
F# **G#**
 And my brother if youâ€™d like to say hello

C# **F**
 You wouldnâ€™t hear me complain if you did the same
F# **G#**
 Get some wine and go call your sister
C#
 I ainâ€™t drinking alone
G# **C#** **G#**
 Iâ€™m on the phone with my brother
