

I Aint Drinking Alone
Max Stalling

D **F#**
Darling I recognize that glare in your eyes
G **A**
when I m about to get the business
D **F#**
But before you complain please let me explain
G **A**
I think you ll understand my position
F# **Bm**
Youâ€™ve read all those books I know your looks,
G **A**
You think people who drink solo have problems
D
But I ainâ€™t drinkin alone
A **D** **A**
Iâ€™m on the phone with my brother

D **F#**
Now my brother it seems is as confounded as me
G **A**
by the art of the marital tradition
D **F#**
So we drink and we dial and shoot the breeze for a while
G **A**
Heck itâ€™s just like we were out fishin
F# **Bm**
And itâ€™s well after nine, it donâ€™t cost us a dime
G **A**
We think itâ€™s an elegant solution
D
We ainâ€™t drinkin alone
A **D** **A**
Weâ€™re on the phone with our brother

Bm **F#m**
And the good news is Iâ€™m right here for you
G **A**
As close as the garage
Bm **F#m**
The kegerator and me and AT&T
G **A**
And my brother if youâ€™d like to say hello
D
I ainâ€™t drinkin alone
A **D** **A**
Iâ€™m on the phone with my brother

D **F#**
 Darling, you are my spouse and you got some rules for our house
G **A**
 And I sure do respect your decisions
D **F#**
 But if you just calm down youâ€™ll see that I found
G **A**
 A loophole in the social condition
F# **Bm**
 Well I love beer and I love you
G **A**
 Not necessarily in that order
D
 I ainâ€™t drinkin alone
A **D** **A**
 Iâ€™m on the phone with my brother

Bm **F#m**
 And the good news is Iâ€™m right here for you
G **A**
 As close as the garage
Bm **F#m**
 The kegerator and me and AT&T
G **A**
 And my brother if youâ€™d like to say hello

D **F#**
 You wouldnâ€™t hear me complain if you did the same
G **A**
 Get some wine and go call your sister
D
 I ainâ€™t drinking alone
A **D** **A**
 Iâ€™m on the phone with my brother
