Lead Me On Maxine Nightingale

C Am Em

I have often heard you say, you love me as a friend.

Dm

But I love you more than anyone.

F/G

You know I cant pretend no longer,

C Am

I would give you anything.

Εm

I d throw my world away.

Dm

But you don t wanna hear that anymore,

F/G

And you wanna hear me say.

Chorus....

Am Em Am Em

Come on and lead me on, come on and tease me all night long.

Dm

Loving you, I know it s right.

F/G

I ll always need you, I ll never leave you.

Am Em Am Em

Come on and lead me on, tease me all night long.

Dm

I d rather be a fool with a broken heart,

F/G C Em F F/G

Than someone who never had a part of you.

C Am Em

You know I told you from the start, exactly how I feel.

Dm

Time goes on, it seems nothing has changed.

F/G

I m in love with you.

C Am En

We have never played the games that real lovers do.

Dm

So maby we are better off. But baby,

F/G

I d still like this from you.

(Chorus)
