

Amber Lynn  
Mayday Parade

I saw there weren't any tabs for this song so I figured them out myself. I think this is pretty correct, maybe not 100% though.

Capo on 1st fret.

She said, boy, you better say you're sorry  
G Em7 D Cadd9  
Don't think forgiveness will come easy  
G Em7 Cadd9  
Cause it's all that I have to give  
D

And boy, I get the strangest pleasure  
G Em7 Cadd9  
Just sitting on these city rooftops  
G D  
Seeing the lights that go on for miles

And I'm dreaming all the time  
Em7 F#m Cadd9  
My heart is racing  
Em7 F#m Cadd9  
Yeah I'm dreaming all the time  
Em7 F#m Cadd9  
Won't you be mine

Amber Lynn  
G Cadd9  
I've got three days to keep away  
Em7 D G  
I've been waiting on that white horse

Amber Lynn  
Em7 D  
You've got me all wrong

This sweet love of mine won't bring me closer

To that Florida line  
Em7 F#m Cadd9 F#m  
Amber Lynn won't you be mine
