

I cant breathe after all that youve told me

G A

You took my heart and made me melt again

D

(You ripped apart these pages)

I cant breathe

G

(Our love was overrated)

After all that youve told me

B A G

(This breaks up all these questions to me what just happened)

You took my heart and made melt again

(Ill say)

G (stop) B

I put your picture in a frame to stand at the side of my bed

A G(stop)

So whenever I get sad I can stare at your face

G B A

Not overplayed that I wont forget

G A

When all I remember is talking is cheap and your eyes were expensive

G A

And god only knows when Ill come to my senses

G A B

Now I cant breathe at all (now I cant breathe at all)

G A

Heres a toast to the lucky ones

G A

To the girl that just broke my heart

D

(You ripped apart these pages)

I cant breathe

B

(Our love was overrated)

After all that youve told me

G A

(This breaks up all these questions tell me what happened)

You took my heart and made melt again

(Ill say)

D

(You ripped apart these pages)

I cant breathe

B

(Our love was overrated)

After all that youve told me

G A

(This breaks up all these questions tell me what happened)

You took my heart and made melt again

(Ill say)

Tell me what just happened
