ANYWHERE BUT HERE

[Intro]

C#m **E**
Tonight is the one thing left
A **B** **C#m**
And I havenâ€™t said it yet, Iâ€™m falling
E **A** **B**
And the writings on the wall

C#m **E**
Today was misery
A **B** **C#m**
And I just canâ€™t believe this happened

She held onto my heart
A **B** **C#m**
But now my only star is falling
E **A** **B**
Its burning to the ground
C#m **A** (break)
Now Iâ€™m crying out

[Chorus]

C#m **A**
Secret love, my escape
E **B**
Take me far far away
C#m **A**
Secret love, are you there
E **B**
Will you answer my prayer
C
Please take me anywhere but here

Youâ€™re all Iâ€™ve got right now
No one else figures out this feeling
And how lonely it can get
These words can cut right through
Cause all along Iâ€™ve knew youâ€™re sorry
But you havenâ€™t said it yet

C#m **A** -break-
But now I wonâ€™t forget

Secret love, my escape

Secret love, are you there
Will you answer my prayer
Please take me anywhere but here
