Bm -   x24432
G -   320033
A/C# - x476xx

Intro: **D**--**Bm**--**G**-**A**-

Verse 1:
D
   It all goes back
to the first kiss
            A
It was the one I
thought I d never miss
              G
Maybe we were one
of the lucky ones
               A
Maybe I m just not
quite strong enough
D
   This was supposed
to be the easy part
     A
But breaking down
is what I found hard
        G
Now I m wearing this
smile that I don t
believe in
A
Inside I feel
like screaming

Refrain:
```
            Bm
She gave me every reason
                A
to believe I d found the
           G
one But my doubts
             A
somehow they sold me out
```

Chorus 1:
```
    D
I m bruised and scarred
         A/C#
Save me from this
Bm
broken heart
        A
All my love will
G               A
slowly fade and fall
      D
apart Someone please sing
     A/C#        Bm
this lovesick melody
        A         G
Call my name if you re
           A(hold)      D  A
afraid I m just a kiss away
```

Verse 2:
```
D
  I m finding out
in the hardest way
         A
The consequence
of every mistake
I ve ever made
Baby what s it
G
like to be alone?
(Baby, what s it
like to be alone)
               A
I don t want to know
I don t want to know
```

(Repeat Refrain)

Chorus 2:
```
    D
I m bruised and scarred
        A/C#
Save me from this
Bm
broken heart
        A
All my love will
G               A
slowly fade and fall
      D
apart Someone please sing
    A/C#       Bm
this lovesick melody
        A         G
Call my name if you re
          A(hold)       Bm A G G A D(hold)
afraid I m just a kiss away
```

Bridge:
```
   D
So baby be honest
Is this what you wanted?
   A/C#
We lost what we started
And found out much more
        Bm
than we want to know
(More than we want to know)
                G           A
About how we re letting go oh
(About how we re letting go)
   D
So baby be honest
                A/C#
Is this what you wanted?
   Bm
We lost what we started

And found out much more
                G      A--
than we want to know oh
```

Chorus 3:
```
    D
I m bruised and scarred
        A/C#
Save me from this
Bm
broken heart
```

```
        A
All my love will
G                 A
slowly fade and fall
        D
apart Someone please sing
      A/C#       Bm
this lovesick melody
          A          G
Call my name if you re
            A(hold)
afraid I m just a kiss---
 D---D(hold)
away
```
