

Singing this is now my home

C **Am**
You're my wish come true

F/A **E** **G** **C**
When you reach that golden cloud I'll be there with you

F/A **C**
If there were monsters in the closet

E **Am**
Well I don't think I would be surprised

F/A **C**
I hear them call out from my window

E **G**
They try and trick me to come outside

(I won't let you down)

G **C**
We talked all day

E **F/A** **C**
I can't tell if he's real or a made-up version of her again

G **C** **E**
Never alone, because I've got you

Am
Get this out of my head

[Guitar Solo]

G **F/A**
No I won't waste away my love

C
On to something new

F/A **G**
If there's only one way out

C
I'll come back for you

F/A **C**
If I get stuck out there forever

E **Am** **G**
Tell everyone that I said goodbye

F/A **C**
You're on my lifelong list of wishes

E
If I could bring you back

F/A **C**
We don't belong here now

E **Am**
If he stays well that just means I've got numbered days

F/A **Am**
Til I go back to my little world

G **C**
Where it's just me and my imaginary friends

C

So go out and love

Am

Find a new direction

(Here s my heart, keep it for protection)

E

Am

Don t get stuck on your way

F/A

C

The other side s a scary place

Am

(Do your best not to be afraid)

Am

Lose it all when we run away

F/A

(Letting go of the little things you know I do)

C

There s a ghost in my bedroom

E

(And he s dying to meet you)

Am

God knows he s heard all about you

F/A

I guess he s friendly enough

C

Though I ve seen him lie

Am

(He s seeking roses in your bed)

F/A

Says he won t let you down

He will! He will! He will!

C

Am F/A

There s a ghost in my bedroom

(He will! He will! He will!

Will the crowd go crashing down?)

Am

Slowly slowly how could I go down

F/A

I want you to notice when I let go

C

Am

Slowly slowly how could I go down?

F/A

I want you to notice when I let go

(There s a ghost in my bedroom)
