

Singing this is now my home

B G#m

You're my wish come true

E/A Eb F# B

When you reach that golden cloud I'll be there with you

E/A B

If there were monsters in the closet

Eb G#m

Well I don't think I would be surprised

E/A B

I hear them call out from my window

Eb F#

They try and trick me to come outside

(I won't let you down)

F# B

We talked all day

Eb E/A B

I can't tell if he's real or a made-up version of her again

F# B Eb

Never alone, because I've got you

G#m

Get this out of my head

[Guitar Solo]

F# E/A

No I won't waste away my love

B

On to something new

E/A F#

If there's only one way out

B

I'll come back for you

E/A B

If I get stuck out there forever

Eb G#m F#

Tell everyone that I said goodbye

E/A B

You're on my lifelong list of wishes

Eb

If I could bring you back

E/A B

We don't belong here now

Eb G#m

If he stays well that just means I've got numbered days

E/A G#m

Til I go back to my little world

F# B

Where it's just me and my imaginary friends

B

So go out and love

G#m

Find a new direction

(Here s my heart, keep it for protection)

Eb

G#m

Don t get stuck on your way

E/A

B

The other side s a scary place

G#m

(Do your best not to be afraid)

G#m

Lose it all when we run away

E/A

(Letting go of the little things you know I do)

B

There s a ghost in my bedroom

Eb

(And he s dying to meet you)

G#m

God knows he s heard all about you

E/A

I guess he s friendly enough

He will! He will! He will!

B

G#m E/A

There s a ghost in my bedroom

(He will! He will! He will!

Will the crowd go crashing down?)

G#m

Slowly slowly how could I go down

E/A

I want you to notice when I let go

B

G#m

Slowly slowly how could I go down?

E/A

I want you to notice when I let go

(There s a ghost in my bedroom)
