

Id Rather Make Mistakes Than Nothing At All
Mayday Parade

[Verse]

E **B**
All these days have turned these months into a year
A **E** **B**
And I ve been spending every second wishing I could disappear
E **B**
And I know when they all start to speak again
A **E** **B**
I just need some inspiration I can rightfully defend
A **E** **B** **A**
And I m close when it s hurting bad, it only gets worse
E **B**
I sing for the children of the earth

[Chorus]

A **E**
I ve broken every rule that I ve known
B
Since you told me that I ve got to have passion
C#m **B** **A**
Honestly, you ve got me all wrong
E **B**
I am just a boy on my own, and we re looking for some promising action
C#m **B** **E**
Tell me what it takes, you we re wrong

[Bridge]

A
Make a move, so carefully,
E **B**
Cut me down and let me bleed
C#m **A**
And I ll slowly, walk away

First time doing this! :)
