

**Jamie All Over**  
**Mayday Parade**

[Verse]

**C**

I had a dream last night we

**G/C**

Drove out to see Las Vegas

**F**

We lost ourselves in the bright lights

**F**

I wish you could have seen us

**C**

Begging for change to get home

**G**

Or at least San Francisco

**F**

Let s put a ten on the high card

**F**

And spent a summer on the west coast

[Refrain]

**Am G/C C**

Down and to the left

**F**

(Here s a map and a pen  
this place, you point it out)

**Am G/C C**

We can t live four years past

**F**

(All I ask, all I ask)

[Chorus]

**C**

And please don t tell

**F**

me that I am dreaming

**Am G**

When all I ever wanted was to

**F**

dream another sunset with you

**C F**

If I roll over When it s over

**Am G**

I ll take this Cali sunrise with me

**F**

And wake up with the fondest memories

[Verse]

**C**

We made love by the ocean

**G**

As the waves crashed around you

**F**

The sunset s never were so bright

**F**

And the skies never so blue

**C**

You opened up into my arms

**G**

And we laughed as I held you

**F**

I ll never go back to Georgia

**F**

Not at least till I have to

[Refrain]

**Am G/C C**

Down and to the left

**F**

(Here s a map and a pen  
this place, you point it out)

**Am G/C C**

We can t live four years past

**F**

(All I ask, all I ask)

[Chorus]

**C**

And please don t tell

**F**

me that I am dreaming

**Am G**

When all I ever wanted was to

**F**

dream another sunset with you

**C F**

If I roll over When it s over

**Am G**

I ll take this Cali sunrise with me

**F**

And wake up with the fondest memories

[Bridge]

**Am G F**

Memories

**Am G F G**

Memories

**C**

I had a dream last night we

**G/C**

Drove out to see Las Vegas

**F**

We lost ourselves in the bright lights

[Chorus]

**C**

And please don't tell

**F**

me that I am dreaming

**Am**

**G**

When all I ever wanted was to

**F**

dream another sunset with you

**C**

**F**

If I roll over When it's over

**Am**

**G**

I'll take this Cali sunrise with me

**F**

And wake up with the fondest memories

(Repeat Verse 2 using chorus chords)

[Outro]

**Am G/C C**

Down and to the left
