

Last Something That Meant Anything
Mayday Parade

(There were just a lot of websites with a lot of different lyrics, so I just wrote in what I heard)
Standard tuning

G **D** **Em** **C**
Well I thought that we could sit around and, talk for hours

G **D** **Em** **C**
About things I couldn't say to you and things that we could never do and,
G **D** **Em** **C**

This conversation has had no face
G **D** **Em** **C**
When the words take days you can re-write and erase anything

Em **C** **G** **D**
You know my heart (so tell me honestly, did you ever really want this?)
Em **C** **G** **D**
Knows all these

G **D** **Em** **C**
And I'll borrow words from all my favourite paragraphs
G **D** **Em** **C**
To write a ballad while we say the things we'd hope would mean the most to me
G **D** **Em** **C**
And each letter sent, I have found in the pages of hope
G **D** **Em** **C**
For the days when I feel like I've lost everything

Em **C** **G** **D**
You know my heart (so tell me honestly, did you ever really want this?)
Em **C** **G** **D**
Knows all these lines (cause my jealous heart can't take that)
Em **C** **G** **D** **Em** **C** **G**
So I'll sing this song for every word that's come out wrong.

Em **C** **G** **D**
But, I'll be okay (Is that what you want me to say?)
Em **C** **G** **D**
It's called breakup cause it's broken

Em **C** **G** **D**
And I'll be okay (is that what you want me to say?)
Em **C** **G** **D**
It's called breakup cause it's broken

Em **C** **G** **D**
I'll be okay (Is that what you want me to say?)
Em **C** **G** **D**
It's called breakup cause it's broken

Em C G D
I ll be okay (is that what you want me to say?)

Em C G D
It s called breakup cause it s broken

Em C G D
I ll be okay, is that what you want me to say?

Em C G D

G D
How you meant that you were sorry

Em
And the nights we ve spent

C G D
Have really meant the world to you or maybe ??? ???

Em C
I ve been keeping track of every note

G D
On every page the day she wrote

Em C
The cherry flavored kisses

G D
Well, I taste them, do you miss it?

Em C G D
I ll be okay (Is that what you want me to say?)

Em C G D
It s called breakup cause it s broken

Em C G D
I ll be okay (is that what you want me to say?)

Em C G D
It s called breakup cause it s broken

G D Em C
Well I thought that we could sit around and, talk for hours

G D Em C
About things I couldn t say to you and things that we could never do

End on **G**
