

Oh Well Oh Well  
Mayday Parade

[Intro]

**B** **F#**  
When you re alone, do you think of me?  
**E** **B**  
And my diamond rings thrown out to sea.  
**B** **F#**  
And when you love, do you love for me?  
**E** **B**  
Like harmony, a never ending dream.

**G#m** **F#** **E** **B**  
Oh well, oh well. I still hope for the best.  
**G#m** **F#** **E** **B**  
Say goodbye and send me off with a kiss farewell.  
**G#m** **F#** **E** **B**  
And I promise I ll be just as strong as I can be.  
**E** **F#** **B**  
Maybe you could get some sleep tonight.

[1st Verse]

**B** **F#**  
So here s your song. It s twisting me.  
**E** **B**  
I d give anything to make you scream.  
**B** **F#** **E**  
And I ll just smile, and make believe I don t feel a thing. That doesn t  
**G#m** **F#** **E**  
Work for me.

[2nd Chorus]

**G#m** **F#** **E** **B**  
Oh well, oh well. Guess I ll see you in a little while.  
**G#m** **F#** **E** **B**  
There s a pretty little picture that s in my head.  
**G#m** **F#** **E** **B**  
And I m starting to dream, changing colors while I sleep.  
**E** **F#**  
Maybe I m just wasting time.

[1st Post-Chorus]

**B-B** **F#-F#** **E** **G#m** **F#** **E** **B-B**  
Sit still and listen to the soundtrack. I ll tell you how I, took one  
**F#-F#** **E**  
Straight through the heart, and it s not easy to talk about.

**G#m-F#-E**

So we all  
Scream loud.

**B F# E G#m F# E**

[2nd verse]

[N.C.]

And that was it. I had made it clean just across the street with my new  
Wings.

**B F# E B**  
So I ll just fly and hope that I remember the good times when it s done.

[3rd Chorus]

**G#m F# E B G#m F#**  
Oh well, oh well. I can t live with myself as I m climbing in your window  
**E B**  
To get to your bed.

**G#m F# E B E**  
And I ll be what you need, you can call me anything just as long as we re  
**F#**  
Still friends.

[2nd Post-Chorus]

**B-B F#-F# E G#m-F#-E B-B**  
Sit still and listen to the soundtrack. I ll tell you how I took one  
**F#-F# E G#m-F#-E**  
Straight through the heart, and it s not easy to talk about.  
So we all sing.  
**B E G#m F# E**  
Whoa, Whoa, Who-o-oa

[1st Bridge]

**B E G#m F#**  
When she smiles it s got nothing to do with me.  
**E B**  
I m not the one who sings her to sleep.  
**E G#m F#**  
And I ve been talking to God asking for just a little help with you  
**E**  
but It s hopeless.

[2nd Bridge x2]

**B E**  
It s not the first time but this one really carved it in.  
**G#m F# E B**  
Tell your new friends that they don t know you like I do.  
**E G#m F#**

It s over. I wanna see you again. I wanna feel it again. x2

[Outro]

**B** **F#** **E** **B**  
I ll keep you warm safe in my arms. Till heaven calls, keep holding on.
