

Repent And Repeat  
Mayday Parade

Verse:

A F A F A F G  
Oh no, I think I did it once again  
A F  
And will they find me out?  
A F A F G  
This time is different than the last  
A F A F G  
If I can just rewind the time it takes to undo all Iâ€™ve changed  
A F G  
I can bring it back again and through her eyes I see the light

Chorus:

F A  
And oh, thereâ€™s a plan for me Iâ€™ve seen it before  
G  
Through the crack of an unlocked door  
Just a glimpse but I saw it still  
A G  
I couldnâ€™t tell you thereâ€™s a monster for all, oh  
F A  
And please, if you donâ€™t want me to stay  
G  
Then thereâ€™s nothing left to say  
A G  
I promise Iâ€™ll go back again and make things right this time  
F G  
And if you believe in me, then stand and fight

A F A F A F G

Verse 2:

A F A F G  
Stay a while, and try to analyze my brain  
A F  
Describing all the quotes you say  
A F G  
Will help forget mistakes Iâ€™ve made  
A F G  
I could bring it back again and through her eyes I see the light

I promise Iâ€™ll go back again and make things right this time  
**F**  
And if you believe in me, then stand and

**A** **C/B** **C**  
Youâ€™re not ready, youâ€™re not ready yet

**F** **A**
