

So Far Away
Mayday Parade

CAPO 1

So, this song is pretty simple...

Corrections/Comments? You know where they go.

Update: Am could be subbed for A, depends on how you like it s sound...

C

She s in love and the world gets blurry

F

A

She makes mistakes and she s in no hurry to grow up

G

Cause grownups they don t understand her

C

Well it s a big, big world out there

F

A

But she s not scared, she thinks that nobody cares about her problems

G

And she s probably right

A

But it s alright

You ll be fine

F

G

If you just stay with me

C

F

Whoa oh, whoa oh

A

G

F

We get one step closer but we re still so far away

C

F

Whoa oh, whoa oh

A

G

F

It s too bad empty bottles couldn t save her life today

C

She finds hope in the strangest places

F

A

She reads her books and she knows the faces of everyone

G

That ever said she s alone

C

She knows every word to the saddest songs

F

A

G

And she sings along, though her friends all tell her that she can't sing

A

But it's alright

You'll be fine

F

G

If you just listen to me

C

F

Whoa oh, whoa oh

A

G

F

We get one step closer but we're still so far away

C

F

Whoa oh, whoa oh

A

G

F

It's too bad empty bottles couldn't save her life today

C

She's eighteen

G

Much too young to know what a kiss like that would mean

A

G

F

But her lips, they were no stranger to the touch

C

And she liked it way too much

G

She never listened to a word her daddy told her

A

G

She finds company with her cigarettes

F

And feels alone when the sunsets

C

And please

G

Don't let this be love

A

How can it be enough?

G

F

This college town is too small for both of us

C

So we re running away

G

We ll pack our bags and take the first train

A

And we re getting the hell out of here

F

This place could burn for all we care

C

G

A

This place could burn for all we care

G

F

Hold me till then

C

G

A

This place could burn for all we care

G

F

Hold me till then

C

F

Whoa oh, whoa oh

A

G

F

We get one step closer but we re still so far away

C

F

Whoa oh, whoa oh

A

G
