Boys call you sexy
And you don't care what they say
See everytime you turn around
They're screaming your name...

When I was young, I wanted attention

And I promised myself that I'd do anything

C#m

Anything at all for them to notice me

Pre Chorus:

C#m

But I ain't complaining We all wanna be famous
So go ahead and say What you wanna say

A

You don't know what it's like to be nameless
Want them to know what your name is
