Verso 1:

```
C                G                D/F#                Em
And honestly, I have been begging for answers
      D                C
That you and only you can give to me
                G                D/F#                Em
A voice crying loud I ve been crying for days now
      D                C
And as I start to run, I stop to breathe
(And I was nearly scared to death)
      G                D/F#
And I was nearly scared to death
Em
(Why you left in paragraphs)
D
Why you left in paragraphs
      C
(The words were nearly over us)
      G                D/F#
The words were nearly over us
      Em                D
You stop and turn and grab your bags
```

```
                G
And I ll be here by the ocean
Just waiting for proof that there s
C
sunsets and silhouette dreams
D/F#                Em
All my sand castles fall
```

D/F# G
like the ashes of cigarettes
C D/F#
And every waves drags me to sea

G
I could stand here for hours
Just to ask God the question

C
Is everyone here make-believe?

D/F# Em
With a tear in His voice
D/F# G
He said, Son, that s the question.

C
Does this deafening silence
D
mean nothing to no one but me?

(C D/F#)
