

The Ills

Mayer Hawthorne

This is my first tab and I m not sure if it s pitch perfect but if there is any changes,
just comment on this song, thank you, and if you have any recommendations for songs
please leave a comment with a name of a song. Plus, I am self taught and I am on
twitter, please follow and I ll probably be uploading videos on youtube,
guitarboy0107, and on
twitter vie twiddeo.com @Chrissy_d101. thanks!

Wooh...

G C F C

G

A baby s born

C

The father s gone

F

C

Can t live with what he s done

G

You know now mama s torn

C

She can t afford

F

C

To raise her son

Em

G

C

You know the ills of this world they can get you down

Em

G

C

You know the ills of this world they can get you down

G

C

F

C

But then you get back up

GCFC

G

Way down in New Orleans

C

The city screams

F

C

They've gone black and white

G

And when the levee broke

C

(Woo hoo) the city float

F

C

And people lost their lives

G

You know they needed aid

C

They hoped and prayed

F

C

But it was just too late

G

And now the family's cried

C

They know inside

F

C

Doesn't have to be that way

Em

G

C

You know the ills of this world they can get you down

Em

G

C

You know the ills of this world they can get you down

G

C

F

C

But then you get back up

GCFC

Em

G

C

You know the ills of this world they can get you down

Em **G** **C**
You know the ills of this world they can get you down

G **C** **F** **C**
But then you get back up
