

Dragon Ball

McFly

This is a pretty awesome song done by McFly. As a fan of both McFly and Dragon Ball, I find it a great combination.

I play this Capo 2 with the chords relative to the capo. I think it sounds better

this way than barring without a capo and it s a bit easier.

(Verse 1)

A **E**
Picking up the pieces of my heart left on the floor

A7 **D**
Like it was written in the stars that I was meant for something more

Dm **A**
Now I m a one man army fighting everybody s war

E **E**
Will I survive? I must survive.

[Piano instrumental, guitar comes in with D, then strum **A** **A/F#** **D** (x2)]

(Verse 2)

A **E**
The world is on my shoulders, So much pressure to prevail

A7 **D**
This is the story of my life and it s a sad and lonely tale

Dm **A**
So what s the point in trying if your destiny s to fail?

E **C#**
You won t survive. But I must survive.

(Chorus)

D
I m on the run

A
From everyone

E **F#m** **E** **F#m**
Where moons and suns collide

D
My back s up against the wall

A
I ll never fall

E
When I find all

C# **F#m**
The Dragon Balls
