McFly - Honky Tonk Women

I can't even remember where I got this song from, but here's for the ones who do have it. I'm still figuring out the intro and solo-ish part, but here are the chords, cause they're not that hard to play.

[Verse 1]

G **C**
I met a gin-soaked barroom queen in Memphis
G **A** **D**
She tried to take me upstairs for a ride
G **C**
The lady had to heave me across her shoulder
G **D** **G**
But I just can't seem to drink her off my mind

[Chorus]

G **D** **G**
She's a ho - - - -nky tonk woman
D **G**
Gimme, gimme, gimme the honky-tonk blues
G **D** **G**
Ho-----nky-tonk women
D **G**
Give me, give me, give me the honky-tonk blues

[Verse 2]

Later, from a cover me in roses (haha)
She had to take me upstairs for a ride
But later she could totototnana..(yeah)
She blew my nose and then she blew my mind
(Oh)

[Chorus]

-Guitar Interlude-

[Chorus 2x]

Note: Chorus is played in disortion, but if you listen to the song, you'll be able to play along.
