McFly

McFly - Let It Snow

G
Oh, the weather outside is frightful,
D
But the fire is so delightful,
C **Am**
And since we've no place to go,
D **C** **G**
Let it snow, let it snow, let it snow.

G
It doesn't show signs of stopping,
D
And I brought some corn for poppin'
C **Am**
The lights are turned way down low
D **C** **G**
Let it snow, let it snow, let it snow.

Chorus:

D
When we finally kiss good night,
G **A** **D**
How I'll hate going out in the storm
D
But if you really hold me tight,
G **A** **D**
All the way home I'll be warm.

Verse:

G
The fire is slowly dying,
D
And, my dear, we're still good-bye-ing,
C **Am**
But as long as you love me so.
D **C** **G**
Let it snow, let it snow, let it snow

Solo:

G **D** **C** **Am**
