Lonely    McFly

_____

McFly sing this in the key of  C#  so play along with a capo on 1st Fret
_____

Intro:
**B     Ebm    B     Ebm**

VERSE 1

**B                      Ebm      C#m                  F#**
It s only been a day,    but it s like I canâ€™t go on
**B               Ebm    C#m                    F#**
I just wanna say,     I never meant to do you wrong
**E                      F#           B           Ebm      G#m**
And I remember you told me baby Somethingâ€™s gotta give
         **C#m                          E                         F#**
If I cant be the one to hold you baby,     I donâ€™t think I could live

CHORUS

**F#           B                        G#m**
Now Im so sick of being lonely, this is killing me so slowly
      **C#m                                              F#**
Donâ€™t pretend that you donâ€™t know me,  Cause thatâ€™s the worst thing you
could do
           **B                              G#m**
Now I m singing such a sad song, these things never seem to last long
          **C#m                        F#         E              B**
Something that I never planned on, help me baby Iâ€™m so sick of being lonely

VERSE 2

**B                      Ebm     C#m                    F#**
Your stuff is in my house,      so many things I canâ€™t ignore
**B                 Ebm     C#m                     F#**
Clothes still on the couch,    your photos on my freezer door
**E                      F#          B           Ebm      G#m**
And I remember you told me baby, somethingâ€™s   gotta    give
         **C#m                          E                         F#**
If I cant be the one to hold you baby,    I donâ€™t think I could live

CHORUS

```
F#              B                                G#m
Now Im so sick of being lonely, this is killing me so slowly
        C#m                                              F#
Don't pretend that you don't know me,  Cause that's the worst thing you
could do
           B                                  G#m
Now I m singing such a sad song, these things never seem to last long
          C#m                                 F#          E              G#m
Something that I never planned on, help me baby I'm so sick of being lonely
```

BRIDGE
```
G#m            E              B              F#
La la la la la ,  la la la la la,  la la la la la,

Eb7        G#m
I am so lonely

          E                    B      F#
La la la la la ,  la la la la la
```

```
E                    F#             B           Ebm      G#m
And I remember you told me baby, something's   gotta    give
        C#m                            E                        F#
If I cant be the one to hold you baby,   I don't think I could live
```

Slow Chorus:   1ST 2 LINES ARE SINGLE STRUMS ON EACH CHORD

```
          B                                G#m
Now Im so sick of being lonely, this is killing me so slowly
        C#m                                              F#
Don't pretend that you don't know me,  Cause that's the worst thing you
could do
          B                                  G#m
Now I m singing such a sad song, these things never seem to last long
          C#m                                 F#          E              B
Something that I never planned on, help me baby I'm so sick of being lonely
```

```
Eb7        G#m                   C#m    E    B
I am so lonely,      I am so lonely.......
```

Now Im so sick of being lonely, this is killing me so slowly
        G#m                                              C#
Don’t pretend that you don’t know me,  Cause that’s the worst thing you
could do
        F#                                  Ebm
Now I m singing such a sad song, these things never seem to last long
        G#m                                    C#        B            F#
Something that I never planned on, help me baby I’m so sick of being lonely

VERSE 2

F#                    Bbm      G#m               C#
Your stuff is in my house,      so many things I can’t ignore
F#                    Bbm      G#m                   C#
Clothes still on the couch,    your photos on my freezer door
B                  C#          F#        Bbm      Ebm
And I remember you told me baby, something’s   gotta    give
        G#m                                   B                            C#
If I cant be the one to hold you baby,     I don’t think I could live

CHORUS

C#             F#                         Ebm
Now Im so sick of being lonely, this is killing me so slowly
        G#m                                              C#
Don’t pretend that you don’t know me,  Cause that’s the worst thing you
could do
        F#                                  Ebm
Now I m singing such a sad song, these things never seem to last long
        G#m                                    C#        B            Ebm
Something that I never planned on, help me baby I’m so sick of being lonely

BRIDGE
Ebm          B                   F#              C#
La la la la la ,  la la la la la,  la la la la la,

Bb7        Ebm
I am so lonely

        B                   F#      C#
La la la la la ,  la la la la la

B                  C#          F#        Bbm      Ebm
And I remember you told me baby, something’s   gotta    give
```

```
          G#m                                      B                            C#
If I cant be the one to hold you baby,    I don’t think I could live

Slow Chorus:    1ST 2 LINES ARE SINGLE STRUMS ON EACH CHORD

        F#                              Ebm
Now Im so sick of being lonely, this is killing me so slowly
        G#m                                         C#
Don’t pretend that you don’t know me,  Cause that’s the worst thing you
could do
        F#                               Ebm
Now I m singing such a sad song, these things never seem to last long
        G#m                              C#        B            F#
Something that I never planned on, help me baby I’m so sick of being lonely

Bb7         Ebm                  G#m    B   F#
I am so lonely,      I am so lonely.......

VERSE 1

G#                      Cm   Bbm            Eb
It s only been a day,   but it s like I can’t go on
G#              Cm   Bbm              Eb
I just wanna say,    I never meant to do you wrong
C#              Eb          G#         Cm   Fm
And I remember you told me baby Something’s gotta give
        Bbm                      C#                        Eb
If I cant be the one to hold you baby,    I don’t think I could live

CHORUS

Eb          G#                       Fm
Now Im so sick of being lonely, this is killing me so slowly
        Bbm                                      Eb
Don’t pretend that you don’t know me,  Cause that’s the worst thing you
could do
        G#                               Fm
Now I m singing such a sad song, these things never seem to last long
        Bbm                      Eb        C#            G#
Something that I never planned on, help me baby I’m so sick of being lonely

VERSE 2

G#                      Cm   Bbm            Eb
Your stuff is in my house,    so many things I can’t ignore
G#                      Cm   Bbm                Eb
```

```
Clothes still on the couch,     your photos on my freezer door
C#                      Eb              G#           Cm        Fm
And I remember you told me baby, something’s   gotta    give
        Bbm                             C#                              Eb
If I cant be the one to hold you baby,    I don’t think I could live

CHORUS

Eb          G#                                  Fm
Now Im so sick of being lonely, this is killing me so slowly
        Bbm                                         Eb
Don’t pretend that you don’t know me,  Cause that’s the worst thing you
could do
        G#                                  Fm
Now I m singing such a sad song, these things never seem to last long
        Bbm                             Eb        C#          Fm
Something that I never planned on, help me baby I’m so sick of being lonely

BRIDGE
Fm          C#              G#              Eb
La la la la la ,  la la la la la,  la la la la la,

C7        Fm
I am so lonely

        C#                      G#        Eb
La la la la la ,  la la la la la

C#                      Eb              G#           Cm        Fm
And I remember you told me baby, something’s   gotta    give
        Bbm                             C#                              Eb
If I cant be the one to hold you baby,    I don’t think I could live

Slow Chorus:   1ST 2 LINES ARE SINGLE STRUMS ON EACH CHORD

        G#                                  Fm
Now Im so sick of being lonely, this is killing me so slowly
        Bbm                                         Eb
Don’t pretend that you don’t know me,  Cause that’s the worst thing you
could do
        G#                                  Fm
Now I m singing such a sad song, these things never seem to last long
        Bbm                             Eb        C#          G#
Something that I never planned on, help me baby I’m so sick of being lonely

C7        Fm                 Bbm    C#    G#
I am so lonely,     I am so lonely.......
