**G**

I was alone and my stomach was twisted

**Am Em D G**

I can get up now, the dark clouds have lifted

**G**

Back in the old life before you existed

**Am Em D G**

I couldn't see right, The windows were misted

**C9**

You said one word made me feel much better

**D**

Starts with L and it's got four letters

**C9 G D**

Things are looking up, looking up

**Em D C9**

There's magic everywhere you go

**G D**

Strangers stop and say hello, hello, hello, hello

**C9 G D**

So turn it up, turn it up, hey

**Bm D C9**

As loud as you can make it go

**D**

Cause love is on the radio

Intro

**G**

Now that I've found you my heart's beating faster

**Am Em**

We could be happy

**D G**

Forever and after

**G**

We could be married like Mrs. And Mr.

**Am**            **Em**                            **D**                            **G**

We ll have a son and we ll give him a sister

**C9**

Just one thing holding us together

**D**

A four-lettered word that ll last forever
