

**She Left Me**  
**McFly**

Hey People!!i am a massive fan of both Mcfly and Busted and i think their songs are really good fun to play so i ve added a new one for you to play. By the way i figured this out with an acoustic guitar and it was in standard tuning.This is what i have come up with.....ENJOY!!!.....

Artist:Mcfly  
Song:She Left Me  
Tabbed by:Liz

VERSE 1

**G**            **D**            **D**  
She walked in and said she didn t  
          **Cadd9**  
wanna know  
**D**                            **G**  
anymore (anymore, anymore)  
**G**            **D**                    **D**                    **Cadd9**  
Before i could ask why she was gone  
                          **D**                            **Cadd9**  
out the door (out the door, out the door)  
**G**            **D**            **Cadd9**                    **D**  
I didn t know, what i did wrong  
**G**            **D**                            **Cadd9**  
But now i just can t move on

CHORUS

**G**  
Since she left me  
                          **D**  
She told me  
                          **Cadd9**  
Dont worry  
**D**    **G**  
You ll be ok, you dont need me  
**D**    **Cadd9**  
Believe me you ll be fine  
                          **G**                            **Em**  
Then i knew what she meant  
                          **D**                            **Cadd9**  
and its not what she said  
                          **G**                            **D**                            **Cadd9**  
now i can t believe that shes gone

VERSE 2

**G D D Cadd9**  
I tried calling her up on her phone  
**D D G**  
No ones there (no ones there, no ones home)

**G D D Cadd9**  
I ve left messages after the tone.....

(No Chord)

Really?

(No Chord)

Yeah man loads

**G D Cadd9 D**  
I didn t know, what i did wrong

**G D Cadd9**  
But now i just cant move on

CHORUS

**G**  
Since she left me  
**D**  
she told me  
**Cadd9**  
Don t worry  
**D G**  
You ll be ok, you dont need me  
**D Cadd9**  
believe me you ll be fine  
**G Em**  
Then i knew what she meant  
**D Cadd9**  
and its not what she said  
**G D Cadd9**  
now i cant believe that shes gone

ELECTRIC GUITAR INTERLUDE

CHORUS

**G**  
Well since she left me  
**D**  
she told me  
**Cadd9**  
dont you worry  
**D G**  
you ll be ok you dont need me  
**D Cadd9**  
believe me you ll be fine  
**G Em**  
Then i knew what she meant  
**D Cadd9**  
and its not what she said  
**G D Cadd9**

now i cant believe that she gone.
