

Star Girl  
McFly

**D#**

Hey

**F**

I m lookin out for my star girl

**G#**

Guess I m stuck in this mad world

With things that I want to say

**D#**

But you re a million miles away

**F**

And I was afraid when you kissed me

**G#**

On your intergalactical frisbee

I wonder why I wonder why

**A#**

You never asked me to stay

**D#**

**G#**

Ooo OOO ooo oooo

**F A#**

So wouldn t you like to come with me

**D#**

**G#**

Ooo OOO ooo oooo

**F**

**G# A#**

Surfin the sun as it starts to rise

**D#**

**G#**

Ooo OOO ooo oooo

**F A#**

Woah, your gravity s makin me dizzy

**F**

**Gm**

**G#**

**A#**

**D#**

The moonlight

**D#**

Hey

**F**

There s nothin on Earth that could save us

**G#**

When I fell in love with Uranus

I don't want to give you away  
Cause it makes no sense at all

Houston, we've got a problem  
Ground control couldn't stop them

I wonder why, wonder why  
You never asked me to stay

Ooo Ooo ooo oooo  
So wouldn't you like to come with me

Ooo Ooo ooo oooo  
Surfin' the sun as it starts to rise

Ooo Ooo ooo oooo  
Woah, your gravity's makin' me dizzy

Girl, gotta tell ya  
I'm feelin' much better

Make a little love in  
The moonlight

Fly away  
Watch the night turn into day

Dance on the Milky Way  
Melt me with your eyes

My Star Girl rules the skies

I----3----I

I----3----I

I----3----I

I----5----I

I----6----I

I----3----I

That s pretty much it. any questions, email.
