

**That Girl**  
**McFly**

~That Girl~

Hey, i know this song has already been tabbed but that version is slightly out.  
It s very  
close but it s wrong.

NOTE: These are all played best in 6 string chords/bar chords whatever you call them. It

is easier to play Db on the 4th fret and Eb on the 6th fret like this:

Db (4 fr.)						Eb (6 fr.)					
x	C#	Ab	C#	F	x	x	Eb	Bb	Eb	G	x
+---+---+---+---+						+---+---+---+---+					
(1)(1)				(1)	4 fr.	(1)(1)				(1)	6 fr.
+---+---+---+---+						+---+---+---+---+					
+---+---+---+---+						+---+---+---+---+					
		(3)(3)(3)						(3)(3)(3)			
+---+---+---+---+						+---+---+---+---+					
+---+---+---+---+						+---+---+---+---+					

Here s is my version:
