McFly

Intro: F# x 4

   F#
The time has come to say goodbye,
   Bm
The sun is setting in the sky,
   D#m
The truth turned out to be a lie,
    G#m
It s over, over
G#m
Hum yourself a lullaby,
   C#   **F#**
This is the end, but baby don t you cry,

   F#
So take away the melody,
   Bm
And all that s left are memories
   D#m
Of lovers, friends and enemies
    G#m
But they re all faded
G#m
You may not remember me
  Bm
I haven t got the strength to carry on

F#
If this is the last song,
   A#m
Iâ€™ll ever sing
          B
And I m giving it everything
      Bm
I m giving it all
F#
If this is the last song,
    A#m
That I ever play,
        B
Then I guess it s time to take
     Bm
My curtain call
       F#
I m dying to thank you all
       F#

```
I m dying to thank you all
                    F#

        F#
So here s to all the lonely hearts,
        Bm
â€˜cause mineâ€™s been ripped and torn apart
        D#m
I m cold and now it s getting dark
        G#m
But I ll be okay
G#m
Bury me with my guitar
        Bm
And all the way to hell I ll play    (Oh)

F#
If this is the last song,
    A#m
I ever sing,
                    B
And I m giving it everything
                Bm
I m giving it all
F#

One more song before I ve got to go    (I m singing)
D#m
From the very bottom of my soul    (And hearing)
B
Every single word and every note    (I m pleading)
C#
```

```
Let me hear you say it all once more    (With feeling)
F#
One more song before I ve got to go,    (I m singing)
D#m
From the very bottom of my soul    (And hear me now)
B
Every single word and every note    (I m pleading)
C#
Let me hear you sing it all once more    (With feeling)
