Anne Boleyn she kept a tin,

**F#m C#7**

Which all her hopes and dreams were in,

**D Bm G#**

She plans to run away with him, forever

**C#7**

(never to be seen again)

**F#m C#7**

Leaves a note and starts to choke,

**F#m C#7**

Can feel the lump that s in her throat,

**D Bm G#**

It s raining and she leaves her coat in silence.

**C#7**

We re sorry but we disagree

**C#7**

The boy is vermin, can t you see?

**C#7**

We ll drown his sins and misery

**C#7**

And rip him out of history

**F#m C#m**

People marching to the drums,

**D A A/F#**

I couldn t tell,

**F#m**

When will this stop.

**F#m C#7**

Racing, pacing, in the dark,

**F#m C#7**

She s searching for a lonely heart,

**D Bm**

She finds him but his heart had stopped,

**G#**

She breaks down.

**C#7**

Sorry but your majesty,

**C#7**

Refusing orders from the queen

**C#7**

Results in a monstrosity

**C#7**

Remembers a voice and hears him sing
