Am

I m calling to hear

E

C#m

B

Your voice on the line

Played you a song

Wrote you a letter

To say that I m done with this

Went through a box

Pictures of us smiling

Back of a room

Playing ourselves

We look so young

We look so happy

Don t really know if we ever were

And I don t believe

You re meant for me anymore

Than the shore

Belongs to the sea

And I was the one

And I was the only one

Standing for all

I knew you could be

Hello, you say

It s been a long time

I can t

Remember the last time we spoke

I m good

I m better

The winter s been hard on all of us

I m getting close to letting go

Saw you in pictures

Heard you were doing so well

On your own now

I knew you would

Heard from a friend
Of a friend of a friend
You were moving out West
To give it a go

And I don't believe
You're meant for me anymore
Than the shore
Belongs to the sea
And I was the one
And I was the only one
Standing for all
I knew you could be

I miss you more than words can say

And I don't believe
You're meant for me anymore
Than the shore
Belongs to the sea
And I was the one
And I was the only one
Standing for all
I knew I could be

And the progress is pretty much the same the whole way. It's such a sweet song
is
easy as pie. have fun! :D
