A#
Hear that lonesome whip poor will
A#
He sounds too blue to fly.
 D# **A#**
The midnight train is winding low,
 A# **F** **A#**
I m so lonesome I could cry.

A#
I ve never seen a night so long
A#
Where time goes crawling by.
 D# **A#**
The moon just went behind a cloud
A# **F** **A#**
To hide its face and cry.

A#
The silence of a falling star
A#
Lights up a purple sky.
 D# **A#**
And as I wonder where you are
 F **A#**
I m so lonesome I could cry.
