

Lets Talk About Love
Meaghan Martin

The Love.Hugs.Peace. song from Build a Bear Workshop/Build a Bearville :)

This is my first ever tab, so i m really sorry about all the mistakes i probably made in the bridge, but it sounds okay and you can play along with any* version of the song so yeah :) enjoy!

At the bit where I put E*, it s just E, but it s the same E at both places if that makes sense? It s also where you should just put your capo up 2 frets (on the 2nd fret) and just go back to the normal chorus chords if you can t play the ones I put.
