

Bad For Good
Meat Loaf

Intro: (## Screaming Lead Guitar ##)

G

C

The sea is whippin the sky

The sky is whippin the sea

Am

You can hide away forever from the storm

G

D

But you ll never hide away from me

G

The icy cold will cut us like a knife in the dark

Em

D

C

And we may lose everything in the wind

G

C

But the Northern Lights are burnin and they re giving off sparks

Am

D

I want to wrap myself around you like a winter skin

G

C

You know, I m onto your scent

We re near the end of the chase

C

Am

Take a look out your window, I ll be there in the night

G

D

G

Oh, your love is so close that I can almost taste it

The cold will cut us like a knife in the dark

Em

D

C

And we may lose everything in the wind

G

C

But the Northern Lights are burning and they re giving off sparks

Am

D

I want to wrap myself around you like a winter skin

Gm

You ve been livin your life like a girl in a cage

F

Gm

And you whisper when I want you to shout (whisper when I want you to shout)

And I never know why you wanna go on sleepin

Bb

D

When there s nothing left to dream about

But you better remember....

G

C

G

If it s somethin I want, then it s somethin I need

Em

Am

C

G

I wasn t built for comfort, I was built for speed

G

C

G

If it s somethin I want, then it s somethin I need

Em

Am

C

G

I wasn t built for comfort, I was built for speed

Am

G

And I know that I m gonna be like this forever

Em

D

C

I m never gonna be what I should

G

Am

G

C

And you think that I ll be bad for just a little while
(think that I ll be bad for just a little while)

G

Am

G

C

And you think that I ll be bad for just a little while

D

G

But I know that I ll be bad for good

C

Your eyes are darker than sin

And I ve been watchin them glow

Am

Take a chance on a promise and a roll of the dice

G

D

G

Put your foot on the gas, let it go, let it go, let it go

Gm

You ve been livin your life like a girl in a cage

F

And you whisper when I want you to shout

Gm

And I never know why you wanna go on sleepin

Bb

D

When there s nothing left to dream about

But you better remember....

G

C

G

If it s somethin I want, then it s somethin I need

Em Am C G

I wasn t built for comfort, I was built for speed

G C G

If it s somethin I want, then it s somethin I need

Em Am C G

I wasn t built for comfort, I was built for speed

Am G

And I know that I m gonna be like this forever

Em D C

I m never gonna be what I should

G Am G C

And you think that I ll be bad for just a little while

(think that I ll be bad for just a little while)

G Am G C

And you think that I ll be bad for just a little while

Am C

But I know that I ll be bad for good

D G C

I know that I ll be bad for good (bad for just a little while)

D Em Am G D G

I know that I ll be bad for good (I know that I ll be bad for good)

(## brief pause ##)

Em

Bad for good

G Em

Bad for good

G Em G

Bad for good

Em

For the good of some thrills, on a long frigid night

D

For the good of the fire in your soul

A

For the good of the kiss, let me hold you so tight

B

For the good of getting out of control

G

For the good of the action and a race in the dark

D

For the good of those chills up your spine

A

For the good of the rock and the roll in your heart

B

For the good of what s yours and what s mine

Em

For the good of believing in a life after birth

C

For the good of your body so bright

A

For the good of the search for some heaven on earth

B

For the good of one hell of a night

Em

For the good of one hell of a night

Lead Break: **Em D A B Em D A B**

Em

For the good of the action and a race in the dark

C

For the good of the fire in your soul

A

For the good of the hunger that ease in your heart

B

For the good of getting out of control

Em

For the good of believin in a life after birth

C

For the good of your body so bright

A

For the good of the search for some heaven on earth

B

For the good of one hell of a night

Em F#m G Bm C D Em G Am G F#m Em D G

For the good of one hell of a night

C

The sea is whippin the sky

The sky is whippin the sea

Am

You can hide away forever from the storm

G

D

But you ll never hide away from me

G

The icy cold will cut us like a knife in the dark

Em

D

C

G

And we may lose everything in the wind (lose everything in the wind)

G

C

But the Northern Lights are burnin and they re giving off sparks

Am

D

I want to wrap myself around you like a winter skin

Em **D**

I know that you can be bad

At least a little while

C **G** **C** **G**
But if you give me a chance, give me one little chance

F **C** **D**
And give me all the love that you should

G **Am** **G** **C**
Then instead of bein bad for just a little while

(instead of bein bad for just a little while)

G **Am** **G** **C**
Then instead of bein bad for just a little while

(instead of bein bad for just a little while)

G **Am** **G** **C** **G** **C**
Then instead of bein bad for just a little while

D **G** **C**
I m gonna make you bad for good (not for just a little while)

D **G** **C**
I m gonna make you bad for good (not for just a little while)

D **Em**
I m gonna make you bad for good

OUTRO:

Am **G** **D** **Eb**
I know that you ll be bad for good

Cm **Db** **G**
You ll be bad for good
