

**Blind As A Bat**  
**Meat Loaf**

Intro      **Em D Em D Em**

**Em G D Em D Em**  
I m not afraid to show you who I am      And I am not ashamed of my life  
**C G D Em**  
Though I ve walked alone, down this cold and soulless road  
**C Am Em**  
I ve always felt your heat in my bones

**F G**  
With every step I rise and fall  
**Am F**  
With everything to gain I end up losing it all  
**G F G**  
When the darkness gets in I scream out and your light sets me free

**F G F**  
I m not afraid of the past no more I m not afraid and I m bad for good  
**G F**  
I used to dance to the devil s beat If I could bust into hell I would  
**G F**  
I m not afraid to shed all my skin I m not afraid of the faults you see  
**G F**  
I m tearing down these walls right now They re comin down cause I believe

**F C G**  
Your love is blind, blind as A bat  
**F**  
The way that you re leading me home like that  
**F C G**  
Your love is blind, blind as bat  
**F G F**  
I m not afraid when they kick me down I m not afraid when I start to bleed  
**G F**  
I m not afraid if I live or die I m not afraid cause I believe

**F C G**  
Your love is blind, blind as A bat  
**F**  
The way that you re leading me home like that  
**F C G**  
Your love is blind, blind as bat

**F G**  
And I wish that I could give you something in return  
**C F**

For the precious time you wasted on the tears I ve never earned

**F**

**G**

**F**

For reaching out to help me cross the bridges that I buuurned

**F**

**G**

And in the end you ll finally see

**Am**

**F**

That, baby, I ve done everything I possibly can

**F**

**G**

**F**

I do it again cause I know you re everything that I need

**F C G F C G** (chorus)

**F**

**G**

**F**

I m not afraid of the the truth no more I m not afraid of the lies I hid

**G**

**F**

I m not afraid of the past of my sins Cause I paid for the wrongs I did

**G**

**F**

I m not afraid of the things you know I m just Am book for the world to read

**G**

**F**

My final words on the final page Will be amends cause I believe

**F**
